Wabao

Designed by
Florent Coirier

EN • Designed by Florent Coirier, the WABAO collection is born from the pursuit of refinement and beauty. The collection is a synthesis of organic design, timeless elegance, and functionality. Comprising four elements: lounge armchair, armchair, pouf, and side table, this collection combines elegance with sustainability and functionality. Its smooth, enveloping, and organic lines radiate warmth and harmony while providing a welcoming comfort.

ES • Diseñada por Florent Coirier, la colección WABAO nace de la búsqueda del refinamiento y la belleza. La colección es una síntesis de diseño orgánico, elegancia atemporal y funcionalidad. Compuesta por cuatro elementos: sillón lounge, butaca, puf y mesa auxiliar, esta colección combina elegancia con sostenibilidad y funcionalidad. Sus líneas suaves, envolventes y orgánicas irradian calidez y armonía a la vez que proporcionan un confort acogedor.

FR • Conçue par Florent Coirier, la collection WABAO est née d'une quête de raffinement et de beauté. La collection est une synthèse de design organique, d'élégance intemporelle et de fonctionnalité. Composée de quatre éléments : chaise longue, fauteuil, pouf et table d'appoint, cette collection fusionne l'élégance, la durabilité et la fonctionnalité. Ses lignes douces, captivantes et organiques répandent chaleur et harmonie tout en offrant un confort agréable.

Versatility of use is an essential element in this collection. Each piece of the collection is designed to blend seamlessly into multiple spaces from waiting areas to contract projects and domestic environments. The wide selection of available fabrics and leathers allows for endless customization possibilities to create spaces with a unique style.

La versatilidad de uso es un elemento esencial en esta colección. Cada pieza de la colección está diseñada para integrarse perfectamente en múltiples espacios, desde áreas de espera hasta proyectos contract y entornos domésticos. La amplia selección de tejidos y pieles disponibles permite infinitas posibilidades de personalización para crear espacios con un estilo único.

L'adaptabilité de son utilisation est un élément essentiel dans cette collection. Chaque pièce de la collection est conçue pour s'intégrer à la perfection dans de multiples espaces, depuis les salles d'attente à des projets « contract » ou même des environnements domestiques. La large sélection de tissus et de cuirs disponibles offre des possibilités de personnalisation infinies pour créer des espaces au style unique.

Nuc

Designed by
PerezOchando

EN • The NUC program comprises a variety of side tables and poufs which combine versatility, style, and contemporary elegance. Each element of the collection is designed to work independently or be freely combined to create unique and functional compositions. The essence of this versatile collection consists of its elegant metal bases, that take their identity from the distinctive knot formed by the crossbars when joining with the legs.

ES • El programa NUC comprende una amplia variedad de mesas auxiliares y pufs que aúnan versatilidad, estilo y elegancia contemporánea. Cada elemento de la colección está diseñado para funcionar de manera independiente o combinarse libremente para crear composiciones únicas y funcionales. La esencia de esta versátil colección radica en sus elegantes bases metálicas, que obtienen su identidad del distintivo nudo formado por las traviesas al unirse con las patas.

FR • Le programme NUC comprend une variété de tables d'appoint et de poufs, alliant polyvalence, style et élégance contemporaine. Chaque élément de la collection est conçu pour fonctionner indépendamment ou être librement combiné pour créer des compositions uniques et fonctionnelles. L'essence de cette collection polyvalente réside dans ses élégantes bases métalliques, qui tirent leur identité du nœud distinctif formé par les barres transversales lors de leur jonction avec les pieds.

Details

The NUC program offers a wide range of models and formats, from coffee tables to side tables and poufs in different sizes. The metal bases are available in all M1 and M2 finishes from our catalogue. The table-tops can be customized with a wide range of materials, and colours to harmoniously integrate into any environment or context.

El programa NUC ofrece una amplia gama de modelos y formatos, desde mesas de café hasta mesas auxiliares y pufs en diferentes tamaños. Las bases metálicas están disponibles en todos los acabados M1 y M2 de nuestro catálogo. Los sobres de las mesas pueden personalizarse en una amplia gama de diferentes materiales y colores para integrarse armoniosamente en cualquier entorno o contexto.

Le programme NUC propose une large gamme de modèles et de formats, des tables basses aux tables d'appoint et poufs de différentes tailles. Designed by
Jonathan Prestwich

EN • Designed by Jonathan Prestwich, the ESSENS collection expands with the addition of side tables. The ESSENS OCCASIONAL side tables combine beauty, versatility, and harmonious proportions. The sculptural base is created from the encounter of two essential volumes in balance.

ES • Diseñadas por Jonathan Prestwich, la colección ESSENS se extiende con la incorporación de mesas auxiliares. Las mesas auxiliares ESSENS OCCASIONAL combinan belleza, versatilidad y proporciones armoniosas. La escultórica base, se genera a partir del encuentro de dos volúmenes esenciales en equilibrio.

FR • Conçue par Jonathan Prestwich, la collection ESSENS s'agrandit avec l'ajout de tables basses. Les tables basses ESSENS OCCASIONAL allient beauté, polyvalence et proportions harmonieuses. Le piètement sculptural naît de la rencontre de deux volumes essentiels en équilibre.

Spaces

The new ESSENS OCCASIONAL table program consists of three bases made of 100% recyclable polyethylene, allowing for the composition of both coffee and side tables with tops of various materials and sizes. The numerous possibilities for combining bases and tabletops, along with the extensive range of materials and finishes available, allow for endless customization to easily integrate into diverse spaces and contexts.

El nuevo programa de mesas ESSENS OCCASIONAL está formado por tres bases de polietileno 100% reciclable que permiten componer mesas de centro y auxiliares con sobres de varios materiales y tamaños. Las múltiples posibilidades de combinación de bases y sobres, junto con la extensa gama de materiales y acabados disponibles, permite infinitas posibilidades de personalización para integrarse con facilidad en los espacios más diversos.

Le nouveau programme de tables ESSENS OCCASIONAL est composé de trois bases en polyéthylène 100% recyclable, permettant la composition de tables de différentes hauteurs avec des plateaux de différents matériaux et tailles. Les nombreuses possibilités de combinaison de piétements et de plateaux, ainsi que la large gamme de matériaux et de finitions disponibles, permettent des personnalisations infinies pour s'intégrer parfaitement dans une variété d'espaces et de contextes.

Florent Coirier, France

Born in Nantes in 1983, Florent Coirier is a Paris-based designer known for his minimal yet highly functional products. After graduating from ENSAAMA Olivier de Serres, he completed his Bachelor's and Master's degrees in Design at the Birmingham Institute of Art and Design. Coirier collaborates with international brands like EMU, Modular Instrument Lighting, and Habitat, among others, focusing on timeless designs that blend simplicity with thoughtful details. With a commitment to environmental sustainability, he integrates formal research into materials and technologies to shape products for future lifestyles.

WABAO COLLECTION

PerezOchando, Spain

PerezOchando is a design studio founded in 2015 by Claudia Pérez and Pedro Ochando. Operating across multiple design disciplines, including graphic design, product design, art direction, and occasional forays into spatial design, the studio utilizes design as a tool for enhancing various aspects of the environment, from physical spaces to digital platforms. With a commitment to collaborative design, PerezOchando endeavors to introduce fresh perspectives and innovative solutions to clients while preserving the integrity and personality of each project. Their approach emphasizes the transformative power of design in driving positive change and fostering meaningful interactions within diverse contexts.

NUC & LEA COLLECTIONS

Jonathan Prestwich, England

After graduating university in 1995, Jonathan began his design career in Boston, Massachusetts, focusing on lighting and seating for two years. This experience sparked his passion for design. He then moved to France, collaborating with Burkhard Vogtherr for six years, forming a strong bond despite initially intending it to be short-term. In 2003, he relocated to London, briefly working with Barber Osgerby before founding his own studio in 2004. Jonathan's collaborative experiences shaped his desire to create simple, elegant, and innovative products for the next generation. Drawing inspiration from nature and modern technology, he aims to integrate these influences into his designs.

ESSENS OCCASIONAL COLLECTION

Located next to the Mediterranean Sea, INCLASS is a dynamic and innovative family company that since the late 1990s has been devoted to manufacturing contemporary design furniture for work environments, public spaces and private homes.

INCLASS works in close relationship with leading international designers to create innovative products that are always the expression of a refined, elegant and timeless design.

Our products are design thinking of enhancing the areas where they are located and the wellbeing of the people who use them.

All the Inclass designs are born from the work of our experienced human team. For more than twenty years, our entire production has been locally made, combining craftsmanship with the latest technologies.

Our in-house production, together with a local network of specialized suppliers, allows us to maintain quality control while offering a wide range of finishes, as well as the possibility of producing customized products tailored to our customers' requirements.

Today our designs are specified and sold around the world by the best specialized distributors, interior designers and architects. Thanks to them, our furniture has presence in renowned offices, public buildings, hotels, restaurants and private residences of more than sixty countries.

The knowledge acquired over time, the experience and the support of our customers and friends from around the world, makes us look forward to the future with energy and motivation to create increasingly attractive, functional and innovative designs.
