Mahia 2.0

Design by Aitor García de Vicuña

Design by Aitor Garcia de Vicuña

Mahia 2.0

Famo achieves elegance and balance through the combination of steel and wood. The honesty of its design results in clean, refined volumes, serving as tools to create exclusive spaces. This collection offers full functionality while preserving its aesthetic essence. The creative team's ultimate ambition is to shape environments that are human, inviting, and filled with warmth.

Famo obtient l'élégance et l'équilibre avec l'harmonie parfaite entre l'acier et le bois. Le design honnête, avec des traits propres et raffinés, se traduit par des volumes clairs qui deviennent des outils pour la création d'espaces exclusifs. Cette collection offre une fonctionnalité complète, sans jamais compromettre son essence esthétique. Le but ultime de l'équipe créative est de concevoir des environnements humains, accueillants et véritablement agréables.

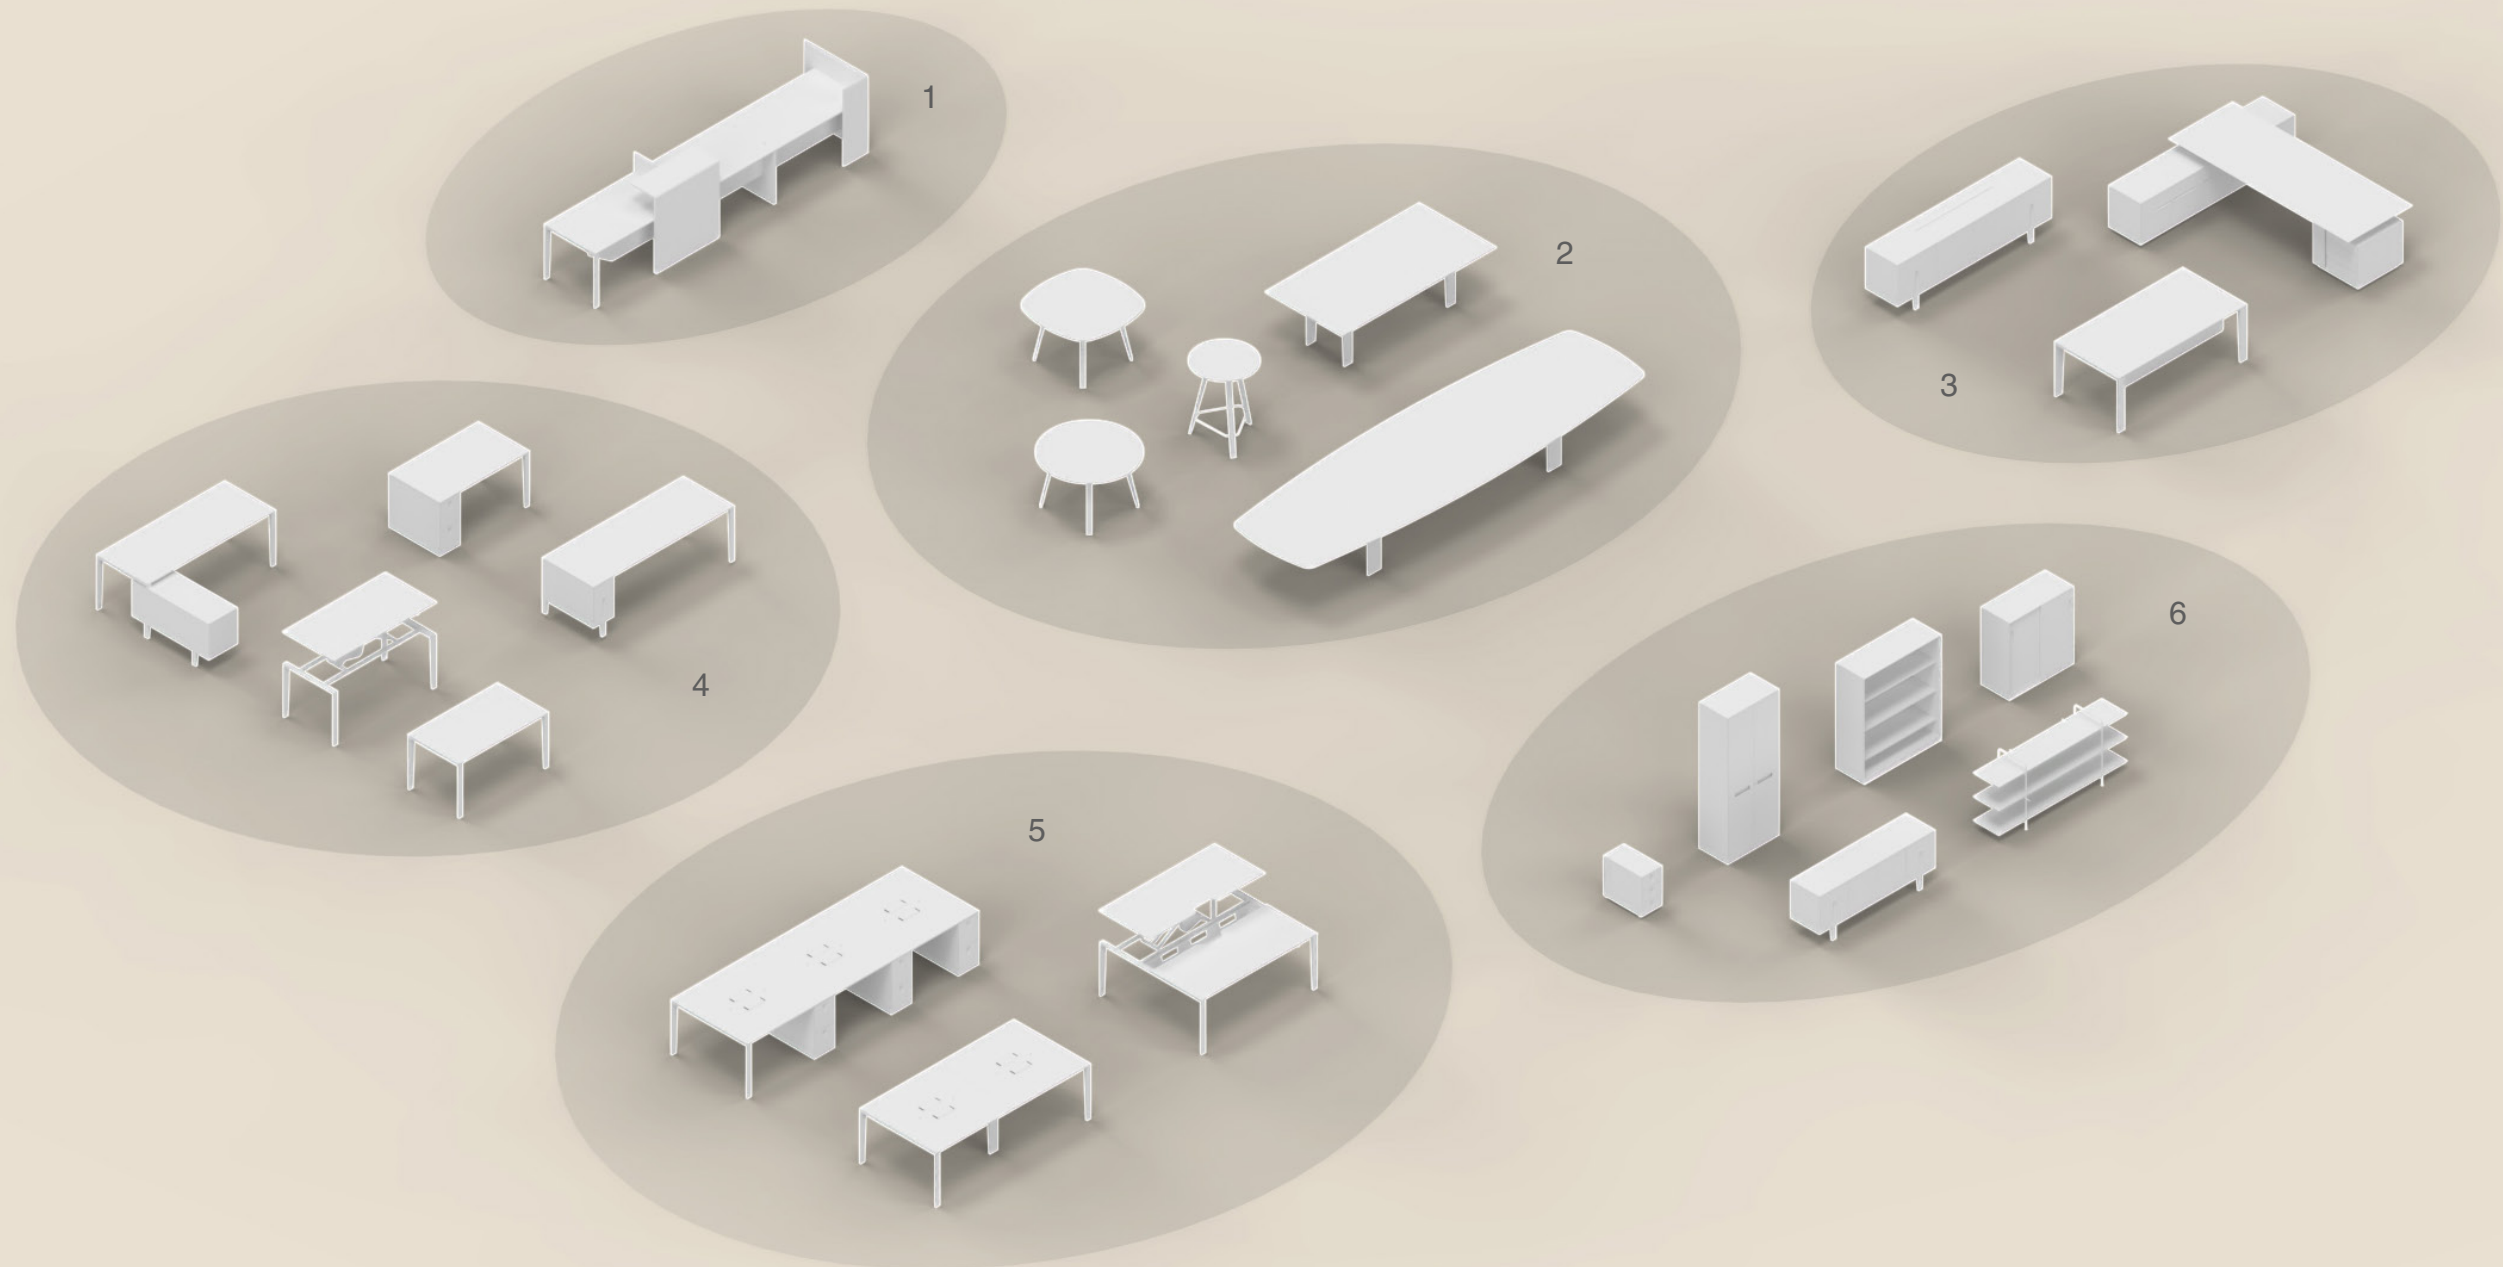

Famo consigue elegancia y equilibrio a través de la combinación de acero y madera. La honestidad de su diseño da como resultado volúmenes limpios y refinados, que sirven como herramientas para crear espacios exclusivos. Esta colección ofrece total funcionalidad conservando su esencia estética. La máxima ambición del equipo creativo es crear entornos que sean humanos, acogedores y llenos de calidez.

A Famo alcança a elegância e o equilíbrio na perfeita harmonia entre aço e madeira. O design honesto, de traços limpos e refinados, resulta em volumes claros que se tornam ferramentas para a criação de espaços exclusivos. Esta coleção oferece funcionalidade plena, sem nunca comprometer a sua essência estética. O objetivo final da equipa criativa é conceber ambientes humanos, acolhedores e genuinamente agradáveis.
