

Designed by Jonathan Prestwich, ARYN is a collection of versatile chairs that easily crosses the boundaries between the different domestic and professional environments. A truly transversal, contemporary, light and fresh design that balances form and function being at the same time fascinating from any perspective. Designed to optimise comfort, ARYN chairs are available with a four legged or sled frame, both of them stackable. The frames, seats and backrests are available in a wide range of selected timeless colours. For greater comfort, the seats can also be fully upholstered. Its light and timeless design together with its great functionality ensure years of everyday use in a wide range of public and private environments.
