

Gulf Sofa

A sculptural system with soft, organic lines that combines a striking presence with enveloping comfort. Its rounded form creates harmony in the space and adds a unique, inviting character to any work, hospitality, or waiting environment. The internal metal frame is wrapped in high-quality polyurethane, shaping soft and precise curves, while the carefully tailored upholstery highlights the model's elegance and ensures a refined, high-end finish. The sofa serves as a design focal point, combining contemporary aesthetics, high seating comfort, and design flexibility.
